Editor's Note

The Staff of the 1945 Athenian presents its work to you with the hope that you will like this record of another year at Sherman High School. We have worked under handicaps of scarcity of materials and the likelihood that everyone who had a part in completing the book might find lack of sufficient labor a tendency to slow up production; thus, to us the book becomes more of an achievement.

We selected the school song as the theme of the book, because it truly reflects the spirit of Sherman High School. We have sung it four years now; hearing that tune has always called forth an earnest desire to do all we could to make glorious history for our school on the gridiron, on the basketball court, on the track, on the tennis court, and in all literary interscholastic contests. It was written in 1940 by Mr. Billy Collins, who was then the band director.

Our Superintendent

Mr. R. L. Speer is Sherman High School's Superintendent. He has been Superintendent for the past seven years, after having served as Principal for eight years. Mr. Speer came to Sherman from Eastland where he was Principal of the High School. He was graduated with a Bachelor of Arts degree from N. T. S. T. C. and with a Master of Arts degree from the University of Colorado.

Mr. Speer has been very active in professional organizations in both State and County and is an immediate past president of the Grayson County Unit of the Texas State Teacher's Association. He has given many hours of careful study and has been a strong advocate of worthwhile bills, both state and federal, for the promotion of education. In addition to his work as an educator he has devoted many hours to civic and wartime programs.

Our Principal

Mr. W. D. Blunk is Sherman High School's Principal. Mr. Blunk was formerly a teacher in the commercial department and sponsor of the **ATHENIAN**. He has a Bachelor of Arts degree and a Master of Arts degree from Austin College and has done graduate work at N. T. S. T. C. and the University of Texas.

Mr. Blunk's interest in boys and girls and the community in which they live extends from the school to his work with the Boy Scouts, the Community Chest, and the Cooperative Concert. He is also President of the Austin College Alumni Association, and he is a member of the Rotary Club.
